

Barts Health NHS Trust blood test locations

If you have a blood test requested by Barts Health NHS Trust, you can use any of these locations.

Locations and opening hours are subject to change. Check online for the latest information:

bartshealth.nhs.uk/phlebotomy

Important information

For locations marked * you will be sent a blood test label, which you must bring with you to your appointment. If you do not bring your label, your blood test will not go ahead.

We are working these sites to enable printing on site in the future.

For all other locations, a label will be provided when you arrive.

Tower Hamlets community clinics

Outpatient blood tests are now available at GP practices across

Tower Hamlets*. Please note, this is adult testing only:

- Call 0300 033 5000 to have your blood test label posted to your home (please allow two working days).
- You will then be put through to your GP practice to book your blood test (you may need to ring your GP practice yourself if the line is busy)
- On the day of your blood test, please make sure you have your label with you. The GP practice will not be able to complete your blood test without it
