

Listening games

You may see some of my friends from the box and videos on the screen.

Check your ear

Audiologist will put a soft tip in your ear and play tinny sounds.

Guide to audiology with Yellow Fish

Journey to Audiology Clinic

Follow the fish into the building.

Look in the ears

The audiologist will look in your ears with the light.

Bye-bye

The audiologist will ask your parents some questions. After they finish talking, we will say bye-bye to each other.

Building entrance

You will say 'hello' to a person behind the desk.

Check your ear drums

The audiologist will put a soft tip in your ears to check your eardrum.

Lift

This is the lift that will take you to the second floor. You will press button number 2.

Waiting area

You will sit down and wait for your turn.

Hearing test room

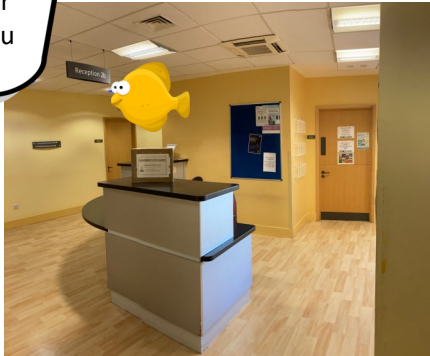

You will sit at the table and play listening games.

This is the reception area where you will knock at the door to let us know you have arrived.

Reception 2B

Hearing test room

You will enter the hearing test room and see me inside.

Listening games

You will put headphones on and play some of the games at the table.
